WHAT'S INCLUDED

Everything Covered Under Our AMC

From software updates to hardware checkups – our AMC plans are comprehensive so nothing falls through the cracks.

Preventive Maintenance

Scheduled visits to inspect and tune your systems before issues arise – keeping downtime at zero.

BUSY Software Updates & Upgrades

Timely installation of all BUSY software updates – including GST law changes, e-invoicing, and new compliance requirements.

On-Site Technical Support

Expert engineers visit your office in Delhi and surrounding areas for hands-on hardware and software support.

Remote Technical Support

Fast resolution of software issues remotely without waiting for an on-site visit – saving you time and disruption.

Data Backup Assistance

Setup and verification of regular data backups for your BUSY accounting data – on local drives or cloud storage.

Priority Response

AMC customers jump the queue – your support requests are handled with the highest priority over non-contract clients.

Hardware Checkup & Servicing

Routine inspection, cleaning, and servicing of computers, laptops, printers, barcode scanners, and peripherals.

GST Compliance Support

Dedicated support to keep your BUSY software GST-compliant with every law update – no compliance gaps, ever.

OUR PLANS

Choose the Right AMC Plan for Your Business

Flexible plans for software, hardware, and cloud – contact us for customised pricing based on your setup.

Software AMC
